## **ENTRANCE TESTS**

Pupils seeking admission into Year 7 take tests in Mathematics, English and Verbal Reasoning. All tests are set to be appropriate for the pupils in their final year of the KS2 national curriculum. It is acknowledged that candidates are unlikely to have covered all of the work that is tested — the tests take account of this.

### **Mathematics (GL Assessment) – Time Allowed: 50 minutes**

The Mathematics paper is based on work which candidates would normally cover during Key Stage 2 of the national curriculum. It covers most aspects of Key Stage 2, up to level 5, with some questions aimed at level 6.

### **English (GL Assessment) – Time Allowed: 45 minutes**

The English paper tests comprehension, vocabulary and punctuation.

### **Verbal Reasoning (GL Assessment) – Time Allowed: 50 minutes**

This test is designed to analyse a pupil's academic potential and indicate areas of strength or weakness.

### **GL Assessment Papers**

For the three GL Assessment papers, questions are of a multiple-choice style, with candidates entering their answers on a pre-printed sheet. Scores achieved in these papers are standardised against national criteria by age.

All GL Assessment tests are designed to be taken to very strict time limits. Many pupils within a wide range of ability will be able to answer most of the questions, given sufficient time; our tests show a pupil's ability to work accurately at speed, a vital aspect of their future work in a selective school. For this reason, no variation in this timing is permitted unless the applicant has a relevant statement of educational need. Any specific problems which may affect a girl's performance should be drawn to the attention of the admissions panel by submitting the Application for Access Arrangements form. The deadline for submitting this form is 12 noon on Monday 10<sup>th</sup> September. The admissions panel will take all such information into account when deciding on eligibility for entry to the school.
