ENTRANCE TESTS

Pupils seeking admission into Year 7 take tests in Mathematics, English and Verbal Reasoning. All tests are set to be appropriate for the pupils in their final year of the KS2 national curriculum. It is acknowledged that candidates are unlikely to have covered all of the work that is tested — the tests take account of this.

Mathematics (GL Assessment) – Time Allowed: 50 minutes

The Mathematics paper is based on work which candidates would normally cover during Key Stage 2 of the national curriculum. It covers most aspects of Key Stage 2, up to level 5, with some questions aimed at level 6.

English (GL Assessment) – Time Allowed: 45 minutes

The English paper tests comprehension, vocabulary and punctuation.

Verbal Reasoning (GL Assessment) – Time Allowed: 50 minutes

This test is designed to analyse a pupil's academic potential and indicate areas of strength or weakness.

GL Assessment Papers

For the three GL Assessment papers, questions are of a multiple-choice style, with candidates entering their answers on a pre-printed sheet. Scores achieved in these papers are standardised against national criteria by age.

All GL Assessment tests are designed to be taken to very strict time limits. Many pupils within a wide range of ability will be able to answer most of the questions, given sufficient time; our tests show a pupil's ability to work accurately at speed, a vital aspect of their future work in a selective school. For this reason, no variation in this timing is permitted unless the applicant has a relevant statement of educational need. Any specific problems which may affect a girl's performance should be drawn to the attention of the admissions panel by submitting the Application for Access Arrangements form. The deadline for submitting this form is 12 noon on Monday 13th September 2021. The admissions panel will take all such information into account when deciding on eligibility for entry to the school.

11+ Practice Papers – Author: GL Assessment

GL Assessment has produced a set of 11+ familiarisation papers covering Verbal Reasoning, English and Mathematics. These are available online for parents and students to download free of charge at <https://www.gl-assessment.co.uk/information/11plus-practice-papers/>

Once on the page you can click any of the links and the familiarisation papers will download.

Further packs of practice papers can be purchased from Amazon or on-line from <https://11plus.gl-assessment.co.uk>

If there is any reason why your daughter cannot sit the entrance tests on the correct date e.g. illness, etc., please inform the Headteacher as soon as possible.

If girls attend the entrance tests they will be presumed to be well enough to sit the papers.
