

## Pupil Premium Summary 2019-20

### Summary Information

Bournemouth School for Girls					
Academic Year	2019-20	Total PP Budget	£48,620	Strategy Review date	January 2020
Total Number of pupils	1162	Pupils eligible for PP	52	Next Review of strategy	January 2021

### GCSE Examination Results 2019

All Pupil Premium Pupils gained 5 or more GCSEs at Grade 9-4.

There were 8 pupil premium (disadvantaged) pupils in the Year 11 cohort that represented 5% of the year group. 10 of these pupils were eligible for the progress 8 figure and they attained a score of 1.24, which exceeds the school average figure of 0.42. The average attainment 8 score for those disadvantaged pupils is 73.75 which exceeds the school average of 71.03.

The school's support for disadvantaged pupils has previously been marked by a letter of congratulations from the Minister of State for Education stating that we were amongst the top secondary schools nationally in terms of the progress made by our Pupil Premium pupils.

### A level results 2019

At A level the number of pupils who were identified as disadvantaged was 6 which represent 4% of the cohort. The average grade achieved by those pupils was a grade B+, and average point score was 43.02. This compares very favourably with a school average of Grade B and a points score of 41.17.

### Identified Needs of Pupil Premium Pupils

The needs of pupil premium students have been identified based on our knowledge of our pupils as part of our school community.

All teachers are aware of pupils who are in receipt of pupil premium and progress of pupil premium pupils is monitored in school at regular intervals. Additional interventions are planned as appropriate, such as additional mentoring or tuition, reduced timetables and personalised learning support or additional pastoral support. There is an annual report to governors on the progress and provision for pupil premium pupils alongside other vulnerable groups.

Heads of House and Heads of Department are also responsible for monitoring the achievement of pupil premium pupils and a robust annual review process ensures that provision and attainment for these pupils remains a significant part of the monitoring process.

There are relatively small numbers of pupil premium pupils and our analysis has shown that pupil premium pupils make very good progress at BSG. However, we have identified the following areas as ways to improve progress for all pupils and in particular pupil premium pupils.

Identified Concern		Planned strategy	Nominal Allocation
Encouraging Positive Well-Being	Pupils with increased anxiety and or depression are less able to achieve academic potential	Allocation of counselling hours to provide an additional level of wellbeing support and a sign post to additional services.	£14,500
		Pastoral support worker employed to support particular groups in school.	£16,500
		ELSA Training for two pastoral support staff	£2,000
Academic and Pastoral Mentoring	Pupils are given additional support to achieve academic potential in times of adversity or support with organisation to help them succeed.	Staff in school trained to deliver coaching and/ or mentoring with groups or individual pupils.	£7.500
Resilience	Pupils need to feel able to learn coping skills and find solutions to problems. Students need to develop resilience so that they are more open to learning and they	Development of PSHE scheme of work by Heads of House to encourage resilience.	£1,500

	respond well to constructive criticism. They will know how to get help when they need it but work to find solutions first.	Additional teaching/ mindfulness resources produced  Provision of new resources, Myriad project training for additional staff.	
Personalised Learning	Pupils are given an opportunity to reduce their timetable and attend the learning centre as a 4 <sup>th</sup> option. This allows them to develop a personalised learning agenda.	A contribution to staffing costs ensure that a comprehensive system of support is put in place.	£16,800
Financial Barriers	Pupil Premium pupils are given access to additional opportunities to enhance the curriculum.  Pupil Premium pupils are given free school meals	Support for school uniform, equipment, music tuition, costs of in school educational visits that are part of the curriculum, costs associated with studying technology in school.	£5,000
