

## Pupil Premium Summary 2020-21

### Summary Information

Bournemouth School for Girls					
Academic Year	2020-21	Total PP Budget	£50,615	Strategy Review date	January 2021
Total Number of pupils	1198	Pupils eligible for PP	53	Next Review of strategy	January 2022

### GCSE Examination Results 2020

All Pupil Premium Pupils gained 5 or more GCSEs at Grade 9-4.

There were 9 pupil premium (disadvantaged) pupils in the Year 11 cohort that represented 5.2% of the year group. The average attainment 8 score for disadvantaged pupils is 68.56, school average was 74.

The school's support for disadvantaged pupils has previously been marked by a letter of congratulations from the Minister of State for Education stating that we were amongst the top secondary schools nationally in terms of the progress made by our Pupil Premium pupils.

### A level results 2020

At A level the number of pupils who were identified as disadvantaged was 5 which represent 3% of the cohort. The average grade achieved by those pupils was a grade B-, and average point score was 38.11. This compares with a school average of Grade A- and a points score of 45.41

### Identified Needs of Pupil Premium Pupils

The needs of pupil premium students have been identified based on our knowledge of our pupils as part of our school community.

All teachers are aware of pupils who are in receipt of pupil premium and progress of pupil premium pupils is monitored in school at regular intervals. Additional interventions are planned as appropriate, such as additional mentoring or tuition, reduced timetables and personalised learning support or additional pastoral support. Support has been maintained throughout the covid-19 period, either in school during periods of attendance, or remotely where home learning has been necessary. There is an annual report to governors on the progress and provision for pupil premium pupils alongside other vulnerable groups.

Heads of House and Heads of Department are also responsible for monitoring the achievement of pupil premium pupils and a robust annual review process ensures that provision and attainment for these pupils remains a significant part of the monitoring process.

There are relatively small numbers of pupil premium pupils and our analysis has shown that pupil premium pupils make very good progress at BSG. However, we have identified the following areas as ways to improve progress for all pupils and in particular pupil premium pupils.

### Additional Provision for Pupil Premium Pupils during Covid-19

All pupil premium students have been offered laptops on system loan for access of remote learning, Tutor and pastoral support.

Identified Concern		Planned strategy	Nominal Allocation
Encouraging Positive Well-Being	Pupils with increased anxiety and or depression are less able to achieve their academic potential	Allocation of counselling hours to provide an additional level of wellbeing support and a sign post to additional services.	£15,451
		2 pastoral support workers employed to support particular groups in school.	£24,930
Academic and Pastoral Mentoring	Pupils are given additional support to achieve academic potential in times of adversity or support with organisation to help them succeed.	Staff in school trained to deliver coaching and/ or mentoring with groups or individual pupils.	£17,334
	Pupils need to feel able to learn coping skills and find solutions to problems. Students need to develop	Programme of PHSE scheme of work by Heads of House to encourage resilience.	

	resilience so that they are more open to learning and they respond well to constructive criticism. They will know how to get help when they need it but work to find solutions first.		
Financial Barriers	<p>Pupil Premium pupils are given access to additional opportunities to enhance the curriculum.</p> <p>Pupil Premium pupils are given free school meals</p>	Support for school uniform, equipment, music tuition, costs of in school educational visits that are part of the curriculum, costs associated with studying technology in school.	£5,000
