### **CONTINGENCY ROUTE**

Every bus stop is marked as BS3(a) or (b), which denotes the contingency bus route that would be used should the double decker servicing this route be out of service and need to be replaced by two smaller coaches. Your child's bus pass will confirm this for them. Laguna will be texting to advise of the change but your child must ensure that they get on the correct contingency bus, which will be clearly signed on the front of the coach.

**\*\*PLEASE BE ADVISED\*\*** - the contingency buses **ONLY** stop at their designated stops.

### **NOTE TO PARENTS WHOSE CHILDREN ARE TAKING THE ENTRANCE EXAMS.**

Please note that this service is a private hire and **NOT** run by the schools or local authority. Demand is high and places for new children are **NOT** guaranteed therefore, if your child is looking to attend BS or BSG then it is advisable to put your child's name on the waiting list **ASAP** by emailing [bsbusmanager@gmail.com](mailto:bsbusmanager@gmail.com) Once accepted your place is then **\*guaranteed\*** for the duration that your child is at BS or BSG. Part time places are at the discretion of the bus committee. **\*Subject to complying with our terms and conditions.**

Payment runs for 10 months – August to May, parent's sign their children **up for a full year** and in doing so agree to cover the year's cost despite time off for sickness, study leave, exams, passing driving tests or extra curriculum activities. If you wish your child to leave the bus before the end of the year then you are still responsible for continuing payments for the bus or finding someone to take the place of your child's vacant place. In extreme circumstances it may be agreed to suspend/stop payments – this is at the discretion of the committee and the parent should contact the treasurer to discuss.
