

**BOURNEMOUTH SCHOOL  
FOR GIRLS**

**Information for Applicants  
for the post of  
Teacher of Geography and History/  
Humanities**

We are seeking to appoint in September 2017 a well-qualified, enthusiastic and energetic graduate who would relish the challenge of teaching pupils who are able and keen to learn.

This is a part-time post for one year in the first instance. You will be able to offer Geography, at least to GCSE and also lower school History/Religious Studies. Alternatively it could be combined with other subjects, the Head of House or Assistant Head of Sixth Form post to make a full-time permanent post. A contribution to the wider life of the school would also be an asset.

NQTs or more experienced teachers are encouraged to apply.

The Geography Department consists of 4 specialist teachers and teaching will be available across the 11-16 age range initially, with the possibility of A level work for a suitably qualified candidate.

The History Department consists of 5 specialist teachers and teaching will be available across the 11-16 age range.

The Religious Studies Department consists of 3 specialist teachers and teaching will be available across the 11-16 age range.

All departments are housed in a purpose built suite of classrooms equipped with DVD facilities and interactive whiteboards. Classes also have access to the extensive central IT facilities equipped with networked PCs with use of the internet and multimedia, as well as department based laptop computers. We also make good use of the VLE.

The departments are forward looking and have introduced many new initiatives in recent years to raise student achievement and to ensure that students are actively engaged in interesting and challenging work.

It is very important that you are able to use a wide variety of teaching and learning styles in the classroom. You will promote the positive ethos of the Humanities and you will be keen to make a significant contribution to help the departments to continue moving forward and go from strength to strength. In turn you can be assured of practical support and encouragement to develop professionally.

We look forward to receiving your application for this post.

**Closing date for applications: 13<sup>th</sup> March.**

Bournemouth School for Girls is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Any successful applicant will be required to undertake an Enhanced Disclosure check by the Disclosure and Barring Service.
